

## Meriana Alrabadi of EYA

Meriana Alrabadi, Sales Assistant at EYA Capitol Quarter, loves the fact that the Capitol Riverfront is a small town in a big city. She has been part of the neighborhood since August 2010, and the beautiful townhomes of Capitol Quarter are one of her favorite spots in the neighborhood.

Meriana is happy to work in the neighborhood, because, "It's an exciting place to be, everything is new and up-and-coming!" In the future, she hopes that people will continue to come out to community-oriented events because this is a neighborhood where there are many things going on. She said that she enjoys the concerts and movies that the BID puts on, as well as the numerous events that take place in the Yards Park.

She is very pleased with the efforts of the Capitol Riverfront. Meriana said she loves how clean the neighborhood is, and that you can really see how much effort the BID puts in for the neighborhood residents.

Meriana added, "It's a really exciting neighborhood to be part of, you are part of a real community here - but your also within a metropolitan city."
